

Red Matches @ Ilkley Tennis Club

Winter Term 2011/2012

 For players aged 8 & Under

As part of our ongoing commitment to helping players improve their tennis, we regularly offer players opportunities to take part in match play events. Our coaches get players acquainted with the right court for their level within lessons, and practice all the necessary skills so these events give children the chance to have a go at match play in a setting they are comfortable with, without the short time constraints of their weekly lesson, and with different children.

Matchplays (Practice Events) - Players of all standards

These events are aimed at club players, and are an informal internal events. The preferred format is a round robin style tournament, giving children the opportunity to play lots of short matches. They are ideal for beginners and experienced players.
