

INSIDE THIS ISSUE

- A big post-Trophy thank you
- Club champs winners
- Upcoming tournament dates
- Advanced Padel coaching

What a week! It certainly felt like it flew by, but this year's Lexus Ilkley Trophy did not disappoint.

Come rain or shine there was endless entertainment both on and off the court!

As it all comes to an end, we're revelling in the success of the week...

Until next year.

There was also joy for one of our members, Jayne-Louise Watkins. After hosting Jason Kubler for several years during the Ilkley Trophy, Kubler finally took the win this year giving Jayne a debut on Centre Court to hold the trophy!

ILKLEY LAWN TENNIS & SQUASH CLUB

THANK YOU

The Lexus Ilkley Trophy would not be possible without the army of people who give up their time to help make it happen!

Thank you to our members for your patience during the few busy weeks both before and during the tournament. We hope that lots of you were able to make it down to watch some of the tennis and soak up the atmosphere!

To the hundreds of volunteers who give up their time to help across the site, it would not run smoothly without you.

To the ball crew from Ilkley Grammar School, your skills on the court were praised by many.

And finally thank you to anyone and everyone else who got involved, your hard work did not go unnoticed.
