MARVELLOUS MATCHPLAY

To celebrate the 2022/23 Matchplay season, a Matchplay Social was held on June 30th with 2 hours of fun tennis, followed by trophy presentations.

The Carol Cherry Matchplay trophies were presented to individuals who showed passion for matchplay by supporting their partners, being competitive, having fun and helping with the organisation of the games.

The worthy winners were Mayumi Ami & Peter Groom, congratulations to them both!

Celebrations finished with a brilliant buffet made by Lou in the Cafe Bar.

Dave Cherry, who oversees the matchplay calendar also thanked Cheryl Hagel, Sue Stent, Peter Groom & Richard Wilberforce for all their hard work organising Matchplay availability and arranging suitable Matchplay pairings. Without their help, Matchplay tennis would struggle to operate.
