

## INSIDE THIS ISSUE

- Charity Padel-Athon
- Bonfire night & musical firework extravaganza
- Live music night
- New rackets sessions & events

As summer draws to a close, don't let the change in seasons discourage you from taking part in club activities. Many of our upcoming social events are also open to non-members, so we encourage you to bring family and friends down to join in the fun!

## LOCKER SWEEPS

It has come to our attention that lockers are being used as storage for long periods by some members. This reduces the number available for use by others.

Lockers should only be used when using the club on that day, with no bags being stored overnight.

We will be conducting locker sweeps on the **FIRST MONDAY** of each month starting from October. This will include removing any items left in lockers, including lockers which are locked.

Anything collected will be placed in lost property and it will be the responsibility of the owner to claim their belongings back.

The club will not take any responsibility should anything be misplaced.
