As we find ourselves in March let's hope that we start to see some Spring weather on its way soon!

In the meantime we've got plenty planned for everyone in the coming months and for summer.

While we have had some wetter weather, please refrain from driving or parking on the field.

A reminder that the kitchen will be shut Thursday 14th March for a deep clean. The Cafe will still be open for coffees and cold drinks as normal.

We apologise for any inconvenience

When this takes place it will require a temporary closure of this gym area. We will make sure to send out further communication when exact dates are confirmed.
