PARKING REMINDER

As we head into the Winter months, we appreciate that the club can be busy at times meaning the main car park might become full. When this happens, **please refrain from parking in no parking zones.** Doing so can make it difficult for others navigating the car park. Please follow the track down the far side of the field to the overflow parking.

More spaces have been created **behind the all weather tennis courts** as highlighted on the map.

If attending classes or court booking, make sure to **allow enough time** in case you need to park further away.

If there has been heavy or persistent rain, please **DO NOT** attempt to park in the field.

This needs to be done no matter whether your court booking is inside or outside. The same applies to Squash and Padel.

As we are a members club, a non-member can only use a guest pass a **MAXIMUM OF 6 TIMES** per calendar year. If attending more than this, then a £10 non-member fee must be paid at reception.

It has been great to see so many budding young tennis players back on our coaching programme after the Summer break!

PADEL

PADEL SOCIALS

Due to the time of year and a resulting drop off in numbers for Thursday 'Padel and Prosecco' we have decided to pause the session for Autumn/Winter. This will also free up the courts for others wanting to play.

The Tuesday night 'Padel and Pints' 7-9pm will continue and monitored based on numbers, so make sure to keep booking on!
