What a start to the year!

We've had a lot going on at the club over the last month and it's been lovely seeing so many members enjoying the facilities. I think we can all agree that with this never ending rain, Spring and Summer can't come soon enough!

SOLAR PANEL UPDATES

We once again want to thank members for their continued patience while the work on our solar panels is underway. We have been updated today by the Site Manager and can confirm that from Wednesday this week and all of next week, indoor courts will be open as normal. They have carried out several tests and are happy that they can complete the next phase with no indoor disruption, except for a small amount of noise.

Courts will remain bookable free of charge during 8am and 4pm while the work continues.
