HALF DAYS TENNIS

MINI CAMPS (9& UNDER)

9AM TO 12PM

The mini red /orange tennis morning-only camps are a great opportunity to introduce tennis to children over the course of a week. At this stage we will introduce movement, co-ordination, balance and receiving skills, in addition to hitting skills. Whilst ideal for total beginners aged Reception to Year 4, this course is also aimed at players already enrolled in mini red/orange tennis lessons at ILTSC or other clubs.

Children will be split into different groups on the day according to experience and standard so are welcome to attend with friends not in the programme.
