# VOLUNTEERS WELCOME!

## *We appreciate all your help*

We are now well in the throes of organising the hugely popular and successful Ilkley Trophy 2020. And we CANNOT do this without the help of all our wonderful volunteers.

A massive THANK YOU from us all at ILTSC for all those who have already registered their interest in volunteering at this year's tournament. Last year was a fantastic week with the added bonus of remarkable weather. We have the desire to surpass even last year's event and to truly make the tournament a spectacular occasion. We need YOU!

In order for you to volunteer, please could we ask you to fill out the attached form or collect one from Reception. This helps give us a more rounded view of when you're available, what you're willing to do and of course the all-important 'what size uniform you require'.

Once filled out either hand it in to reception, or email it back to [volunteers@iltsc.co.uk](mailto:volunteers@iltsc.co.uk)

Volunteering is not exclusive to members, so please do let your friends, family, neighbours know and talk to those who have volunteered before. We can assure you, it's a fantastic week to remember! We will issue further dates and information shortly to those who have registered as volunteers. We look forward to hearing from you all!

# ILKLEY TROPHY HOSTING

The success of the tournament over the last 5 years would not have been possible without the numerous volunteers and host families offers of help in so many different ways.

This year again we still require accommodation with local host families, so if you are interested in hosting any players and or their coaches and have suitable accommodation then please feel free to contact me. Should you wish to call or email with any queries first then please do not hesitate to do so.

Any information you provide will be held in the strictest of confidence.

Please visit the website or reception for the form and return to
